Additionally, we anticipate essentially a non-detect chlorine limit which will require de-chlorination prior to stream discharge. We are working with staff to design, permit, and implement these modifications.

Modifications to GD Kissinger Meadow Stream Augmentation

- The Authority's pending NPDES permit for the discharge of beneficial reuse water to Slab Cabin Run requires a series of modifications in control and monitoring. The changes will require modulation of the flows to the stream via SCADA, to avoid abrupt changes in stream flow. Additionally, we anticipate essentially a non-detect chlorine limit which will require de-chlorination prior to stream discharge. We are working with staff to design, permit, and implement these modifications.

EXECUTIVE DIRECTOR'S REPORT

October 19, 2022

ACTION ITEMS

Executive Session

3. Public Comment

3.1 Other items not on the agenda

4. Old Business

4.1 State College Borough Payment Withholding

State College Borough continues to withhold a large portion of the amount UAJA has billed for the first and second quarters of 2022. The bills were calculated based on the adopted rate for treatment and conveyance adopted November 2021. With penalties, the Borough owes UAJA \$406,088.08. The third quarter bill has been sent. It is likely the Borough will again elect to withhold a portion of the amount owed.

Recommendation: Initiate legal action to collect the unpaid balance.

5. New Business

5.1 Final Design: Patton Crossing Phase 2

Final design drawings for the Patton Crossing Phase 2 sewer extension (Patton Township) have been received and reviewed by staff and our consulting engineer. The sewer extension will serve 1 EDU. The review comments have been addressed.

Recommendation: Approve the drawings as submitted.

5.2 Final Design: Toftrees Planned Community West

Final design drawings for the Toftrees Planned Community West sewer extension (Patton Township) have been received and reviewed by staff and our consulting engineer. The sewer extension will serve 34 EDUs. The review comments have been addressed.

Recommendation: Approve the drawings as submitted.

5.3 2023 Budget

The 2023 budget process is underway. Supervisors have been provided budget worksheets for operating budget areas and staff has met to discuss potential capital budget items. We have tentatively scheduled a meeting with the Board Budget Subcommittee for 11/8. This committee needs to be established. It has typically consisted of the Treasurer, Assistant Treasurer and one other Board representative. Staff intends to compile all input and have a final draft budget in the Board packet by 11/10. Anticipated Board approval would occur at the November Board meeting on 11/16/2022. Various factors may push the approval to the December meeting. The approval schedule will be determined by the subcommittee and staff.

Recommendation: Appoint subcommittee and establish firm date and time for meeting with staff.

5.4 2023 Tapping Fee Increase
